

Mobile Evaporative Coolers

M301

2-year warranty

- Perfect for cooling patios, garages or decks.
- Energy efficient with easy connection to standard water hose.
- Bolted construction instead of welded allows for easy access and rust resistance
- Standard Coolpads[®] - can be cut to fit; easy to remove/replace; unit also accomodates Aspen pads
- 4-way directional plastic grille with easy-to-move vanes on larger units
- Large units cool up to 1600 sq. ft.
- Molded plastic tops created with easy-drain corners to prevent water pooling
